To parents and guardians,

At _____, we use EduTyping.com, and we are seeking your permission to provide and manage a EduTyping.com account for your child. EduTyping.com is an online program that teaches touch typing to K-12 students used by thousands of schools nationwide. Our students will use their EduTyping.com accounts to complete typing lessons, communicate with their teachers, and learn computer application skills.

The notice below provides answers to common questions about what EduTyping.com can and cannot do with your child’s personal information, including:

- What personal information does EduTyping.com collect?
- How does EduTyping.com use this information?
- Will EduTyping.com disclose my child’s personal information?
- Does EduTyping.com use student information for targeted advertising?
- Can students share information with others using the EduTyping.com account?

Please read it carefully, let us know of any questions, and then sign below to indicate that you have read the notice and give your consent. If you do not provide your consent, we will not create a EduTyping.com account for your child.

I give permission for my child’s school/district to create/maintain a EduTyping.com account for my child and for EduTyping.com to collect, use, and disclose information about my child only for the purposes described in the notice below.

Thank you,

EduTyping.com Notice to Parents & Guardians

This notice describes the personal information we provide to EduTyping.com (a product of B.E. Publishing, Inc.) and how EduTyping.com collects, uses, and discloses personal information from students in connection with the use of their EduTyping.com accounts.

What personal information does EduTyping.com collect?

When creating a student account, your school/district may provide EduTyping.com with certain personal information about the student limited to a name, email address, grade level, and password.

EduTyping.com also collects information based on the use of its service, such as:

- Device information, such as model, operating system version, and unique device identifiers
- Log information, including details of how a user used EduTyping.com services, device event information, and the user's Internet protocol (IP) address
- Location information, as determined by IP address
- Cookies or similar technologies which are used to collect and store information about a browser or device, such as preferred language and other settings

How does EduTyping.com use this information?

All information we collect is used solely for educational purposes. EduTyping.com uses student personal information to provide the teacher with class roster and grading information, and nothing else.

Does EduTyping.com use student personal information for targeted advertising?

No. EduTyping.com does not use or share any personal information to target ads. EduTyping.com services do not deliver or display any advertising.

Can my child share information with others using their EduTyping.com account?

No. EduTyping.com accounts are secure, and personal information is only available to the teacher.

Will EduTyping.com disclose my child's personal information?

EduTyping.com will not share personal information with companies, organizations, and individuals outside of EduTyping.com unless one of the following circumstances applies:

With your school/district. EduTyping.com accounts, because they are school-managed accounts, give administrators access to information stored in them.

For legal reasons. EduTyping.com will share personal information with companies, organizations, or individuals outside of EduTyping.com if it has a good-faith belief that access, use, preservation or disclosure of the information is reasonably necessary to:

- Meet any applicable law, regulation, legal process, or enforceable governmental request.
- Enforce applicable Terms of Service, including investigation of potential violations.
- Detect, prevent, or otherwise address fraud, security, or technical issues.
- Protect against harm to the rights, property, or safety of EduTyping.com, EduTyping.com users or the public as required or permitted by law.

What choices do I have as a parent or guardian?

First, you can consent to the collection and use of your child's information by EduTyping.com. If you do not provide your consent, we will not create a EduTyping.com account for your child, and EduTyping.com will not collect or use your child's information as described in this notice.

If you consent to your child's use of EduTyping.com, you can access or request deletion of your child's EduTyping.com account by contacting your school's administrator. If you wish to stop any further collection or use of your child's information, you can request that we use the service controls available to limit your child's access to features or services, or delete your child's account entirely.

What if I have more questions or would like to read further?

If you have questions about our use of EduTyping.com accounts or the choices available to you, please contact your school's administrator.
